SUBJECT INDEX TO VOLUME XXI.

Page.

Abbe, Cleveland, Notes by the Editor—
Nomenclature adopted in this Review 225
Meteorological phenomena for August, 1893 225
Northers of Vera Cruz.. 226
Northers of Tampico and Vera Cruz 363
Currents of Lake Ontario 259
Auroras and thunderstorms 291
Cold weather storms of India and America..... 295
High water caused by gales 297
Tree growth and rainfall 331
Earthquake of November 27, 1893 332
Thermal or frostless belts in verdant zones 365
Prevailing and resultant winds, comparison of..... 365
Observations on the highest clouds..... 364
Accumulated departures..... 378
Alabama (*see* State Weather Services).
Albany, closing and opening of navigation in Hudson River at.... ch. ix, Jan.
Alexander, E. P., high water at Winyah Bay 297
Annual summary for 1893..... 380
Annual range of temperature for 1893..... 378
Army post surgeons, co-operation of (*see* Introduction).
Arizona (*see* State Weather Services).
Arkansas (*see* State Weather Services).
Atmospheric electricity..... 19, 48, 78, 111, 139, 167, 193, 222, 255, 289, 328, 359
Atmospheric pressure 1, 32, 62, 92, 123, 154, 179, 205, 241, 269, 309, 343
Auroras (*see* Atmospheric Electricity).
Baturoni, Prof. G., Northers of Vera Cruz..... 226
Berry, James, proceedings second annual convention of American Association of State Weather Services 228
Board of Editors..... 1, 31, 61, 91
California (*see* State Weather Services).
Canadian service, co-operation of (*see* Introduction).
Charts:
Depth of snow on ground at end of month ..... ch. vii
Depth of snowfall, total monthly..... ch. v or vi
Fog in North Atlantic..... ch. i
Ice in North Atlantic..... ch. i
Isobars, isotherms, and prevailing winds, current monthly..... ch. ii
Isobars and prevailing winds, normal monthly..... ch. v
Limits of freezing weather ..... ch. vi
Hudson River navigation, opening and closing of ..... ch. ix for Jan.
Precipitation. total monthly..... ch. iii
Tracks of centers of high pressure ..... ch. iv
Tracks of centers of low areas ..... ch. i
Charts in annual summary:
Normal annual mean pressure..... ch. i
Normal annual wind resultants ..... ch. i
Mean annual pressure for 1893..... ch. ii
Wind resultants for 1893..... ch. ii
Mean annual temperatures for 1893 ..... ch. iii
Departures of temperature for 1893 ..... ch. iii
Maximum temperatures for 1893..... ch. iv
Minimum temperatures for 1893 ..... ch. v
Annual range of temperature for 1893..... ch. vi
Total precipitation for 1893 ..... ch. vii
Characteristics of the Weather 1, 31, 61, 91, 123, 153, 179, 205, 241, 269, 309, 343, 377
Climatological data, Weather Bureau stations 29, 58, 88, 121, 150, 177, 203, 239, 266, 306, 341, 375, 379

Page.

Climatological data, Canadian stations 28, 57, 87, 120, 149, 176, 202, 238, 265, 305, 340, 374, 388
Climatological data, Voluntary observers 22, 51, 81, 113, 142, 170, 196, 232, 259, 299, 333, 368, 380
Cline, I. M., High water at Galveston..... 297
Cloudiness, average (*see* Climatological table, Weather Bureau stations, monthly).
Cloudless days (*see* Climatological table, Weather Bureau stations, monthly).
Cloudy days (*see* Climatological table, Weather Bureau stations, monthly).
Clouds, observations on the highest..... 364
Cold waves (*see* High areas, under Atmospheric Pressure).
Congress, proceedings of the meteorological, at Chicago..... 227
Currents in the Great Lakes 258–259
Cumberland Sound, observations at (William Duval)..... 298
Dry seasons (*see* under Precipitation).
Duval, William, summary of observations at Signowya, Cumberland Sound 298
Earthquake of November 27, 1893 (C. Abbe) 332
Earth currents (*see* under Atmospheric Electricity).
Editors, board of 1, 31, 61, 91
Editors:
E. B. Garriott (see the covers of the Review for May, June, and July).
Prof. Cleveland Abbe 205, 241, 269, 309, 345
Electricity (*see* Atmospheric Electricity).
Eliot, J., cold weather storms of India..... 295
Fassig, Oliver L., proceedings of the meteorological congress at Chicago..... 227
Floods:
at Mobile 272
on the Atlantic coast..... 288
in rivers (*see* Inland Navigation).
Florida (*see* State Weather Services).
Fog (*see* North Atlantic Storms).
Frosts (*see* Temperature of the Air):
frostless belts (C. Abbe) 365
predictions by C. E. Linney..... 225
in Texas 332
Garriott, E. B., editor from January to July.
Georgia (*see* State Weather Services).
Hail (*see* Precipitation).
Haupt, Col. W. W., frosts and northers in Texas..... 332
Hazen, Prof. H. A.:
Violent storms of March 23, 1893..... 90
Relative intensity of West India storms 333
Henry, A. J., acting chief of Records Division, authority for statistical data..... 343, 377
High water caused by gales (C. Abbe.) 297
Hot waves (*see* Warm Waves).
Hurricanes (*see* Low areas under Atmospheric Pressure).
Hydrographic Office, Navy Department, co-operation of (*see* Introduction).
Ice in the ocean (*see* North Atlantic Storms).
Ice in rivers (*see* Inland Navigation).
Idaho (*see* State Weather Services).
Illinois (*see* State Weather Services).
Indiana (*see* State Weather Services).

Page.

India, cold weather storms of 295
Inland Navigation 17, 47, 77, 110, 138, 167, 193, 221, 254, 289, 326, 358
Iowa (*see* State Weather Services).
Introduction 1, 31, 61, 91, 123, 153, 179, 205, 241, 269, 309. 343
Kansas (*see* State Weather Services).
Kentucky (*see* State Weather Services).
Keuchler, J., annual rings of tree growth..... 331
Lake Ontario, currents of (C. Abbe)..... 259
Lakes, observations on the..... 258, 294, 331, 363
Life-Saving Service, Treasury Department, co-operation of (*see* Introduction.)
Lightning (*see* Local storms under Wind, and thunderstorms under Atmospheric Electricity).
Linney, C. E., frost predictions..... 230
List of stations and observers, Weather Bureau..... 60, 152
List of stations, voluntary, military, and regular observers, pp. 1–12, appended to the Reviews for March, June, and September.
Local storms of March 23, 1893 (*see* H. A. Hazen).
Louisiana (*see* State Weather Services).
Magnetic storms (*see* under Atmospheric Electricity).
Maryland (*see* State Weather Services).
Meteorological phenomena for August..... 225
Meteorological tables (*see* Climatological Data).
Mexico (*see* Climatological Data).
Michigan (*see* State Weather Services).
Military posts (*see* Lists of Stations).
Minnesota (*see* State Weather Services).
Mississippi (*see* State Weather Services).
Missouri (*see* State Weather Services).
Mobile, floods at..... 272
Montana (*see* State Weather Services).
Movement of centers of high and low areas, table.....5, 35, 65, 95, 126, 156, 181, 209, 243, 271, 313, 346
Navigation, opening and closing (*see* Inland Navigation).
Nebraska (*see* State Weather Services).
Nevada (*see* State Weather Services).
New England (*see* State Weather Services).
New Jersey (*see* State Weather Services).
New Mexico (*see* State Weather Services).
New York Herald, co-operation of (*see* Introduction).
Nomenclature (C. Abbe)..... 225
Normal pressure and wind resultants..... 380
North Atlantic storms 6, 35, 65, 95, 126, 157, 182, 209, 244, 276, 313, 347
North Carolina (*see* State Weather Services).
North Dakota (*see* State Weather Services).
Northers in Texas 332
Northers of Vera Cruz (and Tampico) 226, 363
Notes by the Editor (C. Abbe) 225, 259, 295, 331, 363
Observations on the Great Lakes 258, 294, 331, 363
Ohio (*see* State Weather Services).
Ocean ice and fog (*see* North Atlantic Storms).
Ocean swell during hurricanes..... 273
Oklahoma (*see* State Weather Services).
Oregon (*see* State Weather Services).
Partly cloudy days (*see* Climatological table, Weather Bureau stations, monthly).

Page.

Pennsylvania (*see* State Weather Services).
Precipitation.....9, 38, 68, 98, 129, 159, 184, 213, 248, 282, 319, 351
Pressure (*see* Atmospheric).
Rainy days, number of (*see* Climatological table, Weather Bureau stations, monthly).
Records Division, statistical tables prepared by..... 343, 377
Reduction to standard gravity 377
Rivers and harbors (*see* Inland Navigation).
Rainfall, monthly (*see* Precipitation).
Rainfall, excessive (*see* Precipitation).
Rainfall, maximum and minimum (*see* Precipitation).
Sleet (*see* Precipitation).
Snow (*see* Precipitation).
South Carolina (*see* State Weather Services).
South Dakota (*see* State Weather Services).
Stage of water in rivers and harbors (*see* Inland Navigation).
State Weather Services (monthly meteorological summaries of) 19, 49, 79, 111, 140, 168, 194, 222, 256, 292, 328, 361
State Weather Services, proceedings second annual convention..... 228
Storms (*see* Areas of Low Pressure under Atmospheric Pressure).
Storms, local (*see* under Winds).
Storms, North Atlantic (*see* North Atlantic Storms).
Storms, tracks of (*see* Charts).
Supplement, Annual Summary 380
Temperature of the Air...7, 36, 66, 96, 127, 158, 183, 211, 245, 277, 314, 348
Tennessee (*see* State Weather Services).
Texas (*see* State Weather Services).
Texas, frosts, northers, tree growth, and rainfall in 331, 332
Thermal belt (C. Abbe)..... 365
Thunderstorms (*see* Atmospheric Electricity).
Tornadoes (*see* Local storms under Wind).
Tornado of March 23, 1893 90
Tornado in Cleveland County, Okla..... 109
Tree growth and rainfall (C. Abbe) 331
Utah (*see* State Weather Services).
Virginia (*see* State Weather Services).
Voluntary observers and stations (*see* List of stations).
Washington (*see* State Weather Services).
Warm waves 61
Weather (*see* Characteristics of).
Weather Bureau, commendations of 208
West Indian hurricanes (*see* under Low areas in Atmospheric Pressure).
West Indian storms, relative intensity of (H. A. Hazen)..... 333
West Indies (*see* Climatological data, voluntary observers).
West Virginia (*see* State Weather Services).
Wet seasons (*see* under Precipitation).
Widmeyer, J. J., Observer, Weather Bureau, on the tornado of April 25, 1893 109
Wind.....16, 45, 74, 105, 135, 165, 190, 219, 253, 288, 325, 357
Winds, comparison of prevailing and resultant 365
Wisconsin (*see* State Weather Services).
Wyoming (*see* State Weather Services).
Zones, verdant (frostless belts)..... 365
